What’s working well?

- Data-driven posts with comparison tables and numbers drive the highest reach
- News-driven (Allabar’s investment in Syria) posts tied to real market developments generate strong engagement
- Solution-oriented, structured finance content is building clear thought leadership

What’s we are doing next?

- Continue and expand the Syria free zone content series
- Test more recent news-driven posts tied to real market developments
- Publish more opinion-based posts to highlight unique industry perspectives
- Keep connecting with relevant industry professionals to grow reach organically

THANK YOU
